

2nd THURS TRIO'S LEAGUE MASTERS 2016

MASTER FINAL

The final for all categories will be bowled over 8 games. Total pin falls (with handicap if applicable) will decide the winner.

In the event of a tie in the Masters Finals, the difference between the high and low game (scratch) in the 8 games series will be the tie breaker. The bowler with the lower high-low game difference will win the tie breaker. If this still ends in a tie, the player with the highest high game (scratch) shall be the winner. If this still ends in a tie, the next high game will be counted, and/or repeated until the tie is broken.
